### Release information

A bass line with a big attitude and yet at the same time **"Filtered"** possesses a soothing and hypnotic charm to it. It's a bomb track for the deeper side of a progressive set. **"It's Late"** is an electronic edged proggy bouncer of hypnotic nature is a serious late night concoction to build tension. The **Lopazz Vocal Mix** of **"Blood"** is warm pulsating bass line, deeply hypnotic chords and shadowy vocal make it a serious shaker anytime, any ware. **Jonatan Tesei's** mix of **"Blood"** takes a harder, darker approach. Mind penetrating peak hour progressive music.

Diego Sebastian Colquhoun better known as **Bs. As. Deep**, was born November 29, 1977 in Buenos Aires, Argentina. Being influenced by diverse musical genres from the 80s and 90s, led to his interest in DJing.

Around 1993, Bs as Deep finally entered the Dj scene playing House, Industrial & Techno Rave which were the more popular genres in the scene. He played at many small local gigs at bars and clubs where he would try to get maximum exposure to become recognized. After being in the scene listening to music and playing it, he felt it was time to add a third element. He began under the alias "INTRO SOUND" and produced tribal, tech tribal, and progressive tribal. Around 2003 and 2004 his style shifted to Progressive House and Deep Progressive. His productions "Gloria in Excelsis", "Deep" and "I Need House" were provided to his listeners.

Around 2004, Bs as deep began to work with various producers from Argentina such as **Gabriel Modica** who is better known as **Detune** and Ex May Day. Later on they would form the joint alias named TREE FACTORY. Presently, "Bs. As. Deep" is working alongside **Nicolas Fantin** and they have produced together under the name: **"Sound Experience"**. Today BS AS DEEP has earned the respect and support from many renown djs such as Hernan Cattaneo, DJ Tarkan, Nick Warren, Anthony Pappa, Moshic, DJ Taucher, Jacob Todd, Pole Folder, Luca Ricci, Paul Kwitek, Tony Thomas, Martin Bonansea, Juan Pueyrredon, Maxi Iborquiza, Nicholas Coronel, Kosmik3, Nicholas Van Orton, The Defender Drois, DJ Bia, and many others.
